Any issue with the letter? I am also attaching a copy of the Feb 13 presentation Rob provided EPA. I do not see any concerns with their proposal and would stamp it reviewed and accepted.

Are there any concerns you have with the proposal that need to be addressed prior to accepting their proposed modifications?

Thanks,

David

David –

Per our conversation.. Here is a draft of the official letter which would be sent in confirmation of your email approval (would be attached at the end).

Thank you-
Rob
